

Oct. 11th

Attendance: Derrick, Deb, David, Holy

- Coaches training
 - Derrick will ask Reanna about the training she received and go from there
 - Might be more intense training from an outsourced group or might just be Maritz
 - Email previous coaches about training and coaching next year
 - Plan training for second half of January

- Field Changes -David: **Names to contact Scott Benoy & Mike Fedie**
 - David configured a few options on how to have fields that are ALL regulation size; the best was a design that separated the players between Millpond and Viking Middle school (if we get approval), U10 would also separate and at the old varsity field
 - Our U6, U10 fields are too small
 - U8 & U12 are a minimum for regulation size
 - U14 is fine
 - By using Viking, we could have traveling players (Spring Valley, Glenwood, Woodville) practice at Viking but games would still be at Millpond, might enjoy less driving...
 - If it's a go, be sure to add this option to registration for teams to be built accordingly
 - 2 goals will need to be moved to Viking (cheap U12)
 - Possibility to add a practice field at the high school as well, this would also benefit the HS teams

- Field Maintenance at Millpond
 - We could use 20- 40 yards of black dirt to fill in the holes in the Public spaces, we do not have time for seed to grow for field holes
 - **Need to order 2 U12 goals and nets**

- EXTRA:
 - Look into buying a field striper so we do not have to share with the HS
 - Shelves for concession stand-YES
 -

Next Meeting: **Nov. 16th**

- Parent meeting preparation- next
